Our Story

Founded in 2017, The Montessori Children's Garden (TMCG) is a leading nursery in the UAE, established by **Marwa Rashed Al Qubaisi**. TMCG has received strong support from **His Highness Sheikh Mohamed bin Zayed Al Nahyan**, President of the UAE, for its vision to promote and advance Montessori education across the country. Since 2016, TMCG has been supported by the **Khalifa Fund** for Enterprise Development and has continued to grow under strong leadership and management. In 2022, **Marwa Rashed Al Qubaisi** became the President of the UAE Montessori Association, an affiliate of the Association Montessori Internationale (AMI), further strengthening her leadership and contribution to Montessori education in the UAE.

TMCG is accredited by the UAE Montessori Association and holds ISO 9001:2015 and ISO 45001:2018 certifications. We are also proud members of UNICEF. In addition, Marwa Rashed Al Qubaisi serves as an Ambassador for Nienhuis, one of the world's leading Montessori materials suppliers.

TMCG has also established an important collaboration **with the Sheikh Mohammed bin Khalid Al Nahyan Cultural Center**, together with **H.H. Sheikha Dr. Shamma bint Mohammed bin Khalid Al Nahyan**, supporting shared goals in education, culture, community development, and the advancement of Montessori principles within the UAE.

Furthermore, we exclusively use Gonzagarredi Montessori materials, ensuring that our educational environment is equipped with high-quality, authentic Montessori resources that reflect and support the principles of the Montessori method.

Vision & Mission

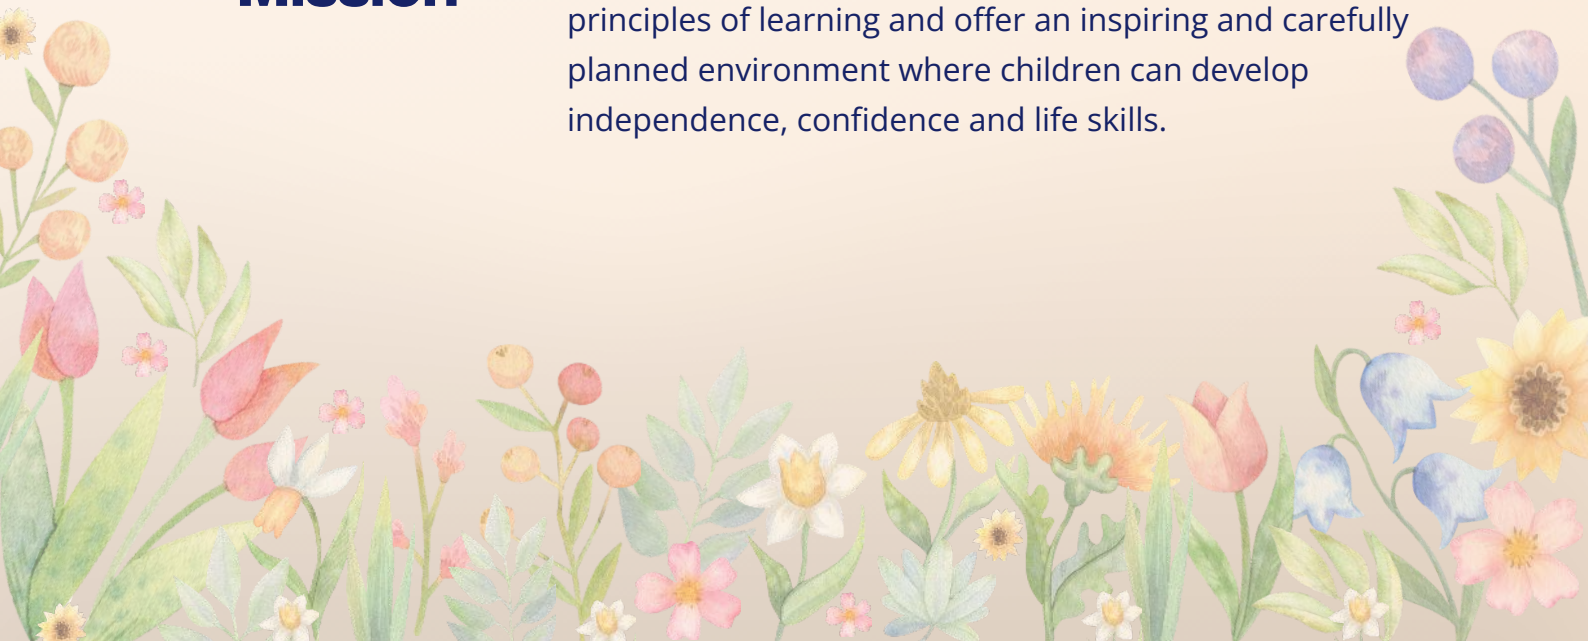

Vision

Our Vision is to treat each child as a unique individual through nurture and sensitivity by engaging in the grace and courtesies of our culture.

We want to guide and support our children to appreciate and respect the world around them and each other. Our priority is to provide the children with an environment where they are free to explore their world, through hands on discovery and develop a love of learning. We aim to provide every child, with the best possible Montessori and EYFS education and care including UAE Identity Culture.

Mission

We are fully committed to the Montessori and EYFS principles of learning and offer an inspiring and carefully planned environment where children can develop independence, confidence and life skills.

Operating Hours

The Montessori Children's Garden Nursery (TMCG)

Provides a nurturing and enriching environment for children aged 45 days to 4 years and 11 months. Operating 5 days a week, from 6:00 AM to 6:00 PM, all year round, we ensure consistent care and education tailored to meet the individual needs of each child.

Our Curriculum

At **TMCG**, we integrate the Montessori and Early Years Foundation Stage (EYFS) curricula to create a unique, child-centered educational experience. This blend ensures holistic development by addressing the intellectual, emotional, social, and physical needs of every child, fostering independence and a lifelong love of learning.

Our Communities

Nido

Multilingual Education

English

Arabic

French

We are proud to offer a multilingual program that supports classes in English, Arabic, and French, providing children with valuable language skills while enhancing their cognitive development. In addition, each child receives a monthly book, ensuring continuous learning and literacy development at home and in the nursery.

Arabic Montessori materials

We are the first to use Montessori materials to teach children, integrating them into our curriculum. Our Arabic Montessori materials are specifically designed to help children learn the Arabic language while also fostering an understanding of its rich cultural heritage. These materials include Arabic alphabet cards, sandpaper letters, movable alphabets, counting beads, and sensory tools. They are aimed at developing language skills, enhancing early writing abilities, and promoting a deeper connection to Arabic culture, all within the framework of Montessori's child-centered approach

Cultural and Religious Education

Islamic

Montessori Identity Box

UAE Identity

In addition to academics, we emphasize cultural and religious values through dedicated Islamic studies and UAE identity classes, helping children connect with their heritage and build a strong sense of cultural identity. To further support this, we create custom identity materials that enrich the learning experience and deepen their understanding of cultural values.

Extracurricular Activities and Our Events

Events

Music

Ballet

Football

We offer a range of extracurricular activities designed to enhance creativity, physical development, and social skills. These activities include:

- Music
- Ballet
- Football

Additionally, we celebrate world events, providing opportunities for children to engage with diverse cultures and global issues, fostering an understanding of the world around them.

Uniform and illumine Application

Our students wear a uniform, promoting a sense of community, pride, and equality within the nursery. The uniform is the same for all age groups.

To keep parents informed and involved in their child's progress, we use the illumine application. This platform allows us to update reports, share photos, and provide a comprehensive dashboard for the nursery. Through illumine, parents can easily access their child's observations, ensuring they stay connected with their child's learning journey and development.
