Parents Welcome Letter Academic Year 2024/2025

Welcome to The Montessori Children's Garden Nursery!

We are delighted to have you join our community. The Montessori Children's Garden Nursery (TMCG) is proud to be among the top 5 rated nurseries in Abu Dhabi. As a Khalifa-funded project, endorsed by Sheikh Mohamed bin Zayed Al Nahyan, we have been committed to providing an exceptional early years program since 2016, rooted in authentic Montessori principles.

Our nursery is fully accredited and certified, holding a license to implement the Montessori Curriculum. We are dedicated to supporting families who seek excellence in Montessori education, ensuring that every child's developmental needs are met with the highest standards of care and instruction.

We are honored to share that our CEO, Ms. M. AlQubaisi, has recently been granted affiliation with the Association Montessori Internationale (AMI), the original organization established by Dr. Maria Montessori in the Netherlands. She proudly serves as the President of AMI in the UAE, making her the third in the Arab countries and the first in the Gulf region. The UAE Montessori Association, under her leadership, is committed to promoting Dr. Montessori's principles and showcasing the profound benefits of Montessori education for children's holistic development across the UAE.

Our association aims to bring numerous events, services, and training support to the communities within the Emirates, enhancing the Montessori experience for both children and educators.

Our nursery is equipped with outstanding facilities and furniture, branded and shipped from Italy and the Netherlands (Gonzagarredi & Nienhuis). Our Montessori-trained teachers provide parents with confidence, knowing that their children are in a safe and nurturing environment, receiving formative education that fosters growth and independence.

Our curriculum is based on the globally renowned Montessori Early Years Framework. We emphasize a broad and balanced approach that includes outdoor play and exercise, music, environmental stewardship, and lessons on healthy living. Additionally, we place a strong focus on teaching etiquette and manners, ensuring that children develop both academically and socially.

We look forward to partnering with you in your child's educational journey.
Thank you for entrusting The Montessori Children's Garden, Abu Dhabi with your child's early education.

Sincerely,
M. AlQubaisi
